

EZ Clean Charity Car Wash

How Does the Fundraiser Protect the Environment?

By using EZ Clean Car Wash, your organization can protect the environment and raise money! Professional car washes prevent harmful waste water from entering our waterways, and use only a fraction of the water that would otherwise be needed to wash a car, saving water that is crucial in the dry winter months.

Why Should You Use EZ Clean for Your Fundraiser?

Sell our Express Car Wash tickets and your organization keeps 50% of the proceeds. Tickets are custom printed with your organization's name. Your Chairperson simply fills out a contract accepting responsibility for the tickets. We will even send you a table banner for you to use when selling the tickets!

There is no worrying about finding a facility to hold a car wash, getting chemicals, finding volunteers to perform the manual labor or the liability held by your organization for those participating. The customer can use the car wash ticket they purchase from you at their convenience at EZ Clean Express Car Wash located in Zephyrhills.

If You Are Interested. . .
